Dear Judge TAUBO,

I TOTALLY disagree with
 Your verdict STATING that the MASS. OIL
 SPILL Act is unconstitutional. WHAT IS
~~THE~~ truly unconstitutional is the oil
 SPILLS that are POLLUTING miles and miles
 OF shorelines, and closing nearly 100,000
 acres of shellfish beds. Now that is
 definitely unconstitutional. Your wrong
 and immoral verdict, has handed down
 vessels that transport oil, to continue
 their oil spills without ANY concern
 that there will be repercussions. Does it
 that bother you? Supporters such as myself
 are angry by your wrong and cruel
 ruling. Do you have something AGAINST
 NATURE? The Good Lord created the
 sea, the sky and the great environment,
 but people have destroyed just about
 all of it. You have joined the RANKS
 with those who destroy ~~and~~ our waters,
 and God's creation. You have a severe problem.
 Your RULING is AGAIN, CRUEL AND IMMORAL.
